

GRAFOMOTORIKA 3

Chceš sa naučiť pekne a správne písať? Tieto cvičenia ti v tom môžu pomôcť. Najprv tvary obtiahni, a potom dokresli rovnaké tvary až do konca riadka. Tvary obtáhuj a kresli v smere šípok. Je to dôležité pre pekné a plynulé písanie. Snaž sa ustrážiť si správny skoln a výšku tvarov.

The handwriting practice sheet consists of 12 rows, each with a three-line guide. The first row features a large solid triangle with an upward-pointing arrow on its left side, followed by a dashed triangle of the same size, and then a series of dots for tracing. The second row features a medium-sized solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The third row features a small solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The fourth row features a large solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The fifth row features a medium-sized solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The sixth row features a small solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The seventh row features a large solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The eighth row features a medium-sized solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The ninth row features a small solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The tenth row features a large solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The eleventh row features a medium-sized solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots. The twelfth row features a small solid triangle with an upward-pointing arrow, followed by a dashed triangle, and then a series of dots.
